[SNM Hails CMS Decision to Consider Expanding Reimbursement for Cancer](#)

October 20, 2008 [snm.org](#)

*Reston, Va.—In response to a successful data collection effort by the National Oncologic PET Registry (NOPR) showing that positron emission tomography (PET) scans help save the lives of thousands of cancer patients annually, the Centers for Medicare and Medicaid Services (CMS) is weighing an expansion of coverage of PET for all types of cancer.
